

## **Personal information**

**Full Name:** Abdulhamid Mohamed Ahmed AlshInqeti

**Address:** Tripoli, Libya

**Mobile:** +218 915 772 290

**Email:** shenqeeti86@gmail.com

**Nationality:** Libyan

**Date of Birth:** 10/07/1986

**Place of Birth:** Tripoli, Libya

## **Education**

Higher Diploma in Environmental Engineering and Water Resources

Master Student in Environmental Science

Department of Environment, The Libyan Academy, Libya

2026 – Present

## **Work Experience**

Researcher – Libyan Biotechnology Research Center

2010 – Present

- Environmental group researcher
- Water chemical and physical analysis
- Sample preparation and chemical digestion
- Heavy metals analysis
- Operation of laboratory instruments including:
  - UV–Vis Spectrophotometer
  - Microwave digestion system
  - Film spectrometer
  - General spectrophotometer

## **Training Courses**

- Water analysis using Palintest 8000 – Tektraco Company (2010)
- (2010) (Flame Photometer) –
- Chemical Analysis using UV–Visible Spectrophotometer (2011)
- Statistical Analysis Training Course (2012)

- Water quality monitoring using classical and modern methods (2022)
- How to Read Scientific Papers (2023)
- Statistical Analysis using SPSS (2024)
- Publisher Software Training Course (2025)
- English Language Course – Intensive (IELTS equivalent level 4 / 2025)

## **Skills**

### **Technical Skills:**

- Water quality analysis
- Chemical and instrumental analysis
- Statistical analysis (SPSS)

### **Computer Skills:**

- Microsoft Word
- Microsoft PowerPoint
- Microsoft Publisher

### **Other Skills:**

- Presentation and lecture preparation
- Good English communication skills
