

## ESAM ALSADQ ALSHREEF

Master degree (Cyprus)  
Master in biomedical engineering  
Cell & tissue culture Department, Libyan Biotechnology Research  
Centre, Tripoli, Libya.  
Cell: 00218914044469  
E-mail: [essam.shref@gmail.com](mailto:essam.shref@gmail.com)  
E-mail: [esam.alshreef@lbtrc.edu.ly](mailto:esam.alshreef@lbtrc.edu.ly)

Esam alshreef is a Researcher at Libyan Biocology Research Centre (LBTRC), acting as Human cell culture laboratory manager of LBTRC, Tripoli, Libya.

2010–Present: Researcher, Libyan Biotechnology Research Center  
I possess strong skills in locating, organizing, evaluating, and presenting information relevant to research topics. My work involves thorough and systematic investigation in various areas of study.

2015-2019 **Master degree in Biomedical engineering** \ Near East University at Turkish Cyprus.

2005–2009 **Bachelor's medical laboratories** \ Tripoli University at Tripoli-Libya.

- Research & development experience in the Artificial intelligence (such as; deep learning).
- Professional Continue learning, work and develop a career in what I'm passionate about, which are all the information technologies and biology.
