Academic qualifications:

Bachelor of Science in Agricultural Sciences (Horticulture), 1996/1997

Master of Science in Agricultural Sciences (Horticulture), specializing in Plant Tissue Culture, 2018.

Faculty of Agriculture, University of Tripoli

Academic degree: Assistant Professor 2025

Scientific experience:

Researcher at the Libyan Center for Biotechnology Research 2002-2025

Academic title: Assistant Professor 2025

Laboratory Supervisor, Department of Plant Tissue Culture 2014-2023

Head of the Plant Propagation and Improvement Unit 2023-2025

Member of the Scientific Advisory Board, Department of Plant Tissue Culture

Member of the Committee of Agricultural and Environmental Experts at the Libyan Center for Biotechnology Research.

Head of the Sensory Evaluation Team, Olive Oil Quality Evaluation Laboratory 2023-2025.

Research works:

- * Practical supervision of several undergraduate and graduate student projects at Libyan universities.
- * Micropropagation of endangered and medicinal plants.
- * Micropropagation of economic and ornamental plants.
- * Study of the sensory and chemical properties of some olive oil varieties.
- * study of some factors affecting the quality characteristics of olive oil .
- * Study of the reality of olive tree propagation and cultivation in Libya.

He worked in the research field for more than twenty years and has published more than thirty research works for more information ,please see the following links:
