

ELLAFI ABULGASEM ELBAHRI

Master degree (libya)

Master in biomedical **science**

Cell & tissue culture Department, Libyan Biotechnology Research Centre, Tripoli, Libya.

Cell: 00218924930716

E-mail: allbahryallafi@gmail.com

E-mail: ellafi.elbahri@lbtrc.edu.ly

allbahryallafi is a Researcher at Libyan Biocology Research Centre (LBTRC), I possess good skills in locating, organizing, evaluating, and presenting information relevant to research topics. My work involves thorough and systematic investigation in various areas of study.

I have gained extensive teaching experience, particularly in biomedical science through my work with Libyan Biotechnology Research Center at Tripoli Libya

Academic qualifications

2009-2013 **Master degree in biomedical science** \ Libyan academy for postgraduate at Tripoli Libya

1996-1997 **Bachelor's faculty of science** \ Tripoli University at Tripoli-Libya.

- **Mammalian cell culture, including:** Cell maintenance, microscopy, sub-culturing, cell cytopspining and staining.□□
- **Protein analysis, including:** Protein assembly and fibrillation, SDS-PAGE, Western blot.
- **Cell viability assays:** MTT assay and crystal violet assay.
